

BROWN BAG OUTREACH AGREEMENT

WELCOME!

Whether this is your first or hundredth time joining us, we are so glad to have you! We are very grateful for the time and hard work you have kindly offered towards this ever important ministry.

THIS IS *HIS* HOME.

There may be many different reasons you have decided to come out today. For us, we know that our church is God's home, thereby making this His neighborhood. And His neighborhood is hurting.

One of the ways we are healing that pain at the local level is with God's love; yes, in the same way His Son, Jesus Christ, came down among us to help the poor, hungry, oppressed - the homeless.

Our mission is to first and foremost love the homeless like God loves the homeless, which we do by providing a thoughtfully prepared meal, by engaging in compassionate conversation, and by building genuine relationships.

PREPARE YOURSELF!

Amazing things have happened during our routes. You never know when God just might open your eyes in order to witness something miraculous! But before we can get started, we have decided on some rules and guidelines that will help keep us focused on our mission - safely.
